

The Native American LINK Inc. P.O. Box 470974 Tulsa, OK 74147 Issue 61, Spring 2020

Greetings to you all from the Office of The Native American LINK,

The Corona Virus Pandemic brought our ministry activity travel to a standstill in March, 2020. Placing our faith in Jesus Christ, we pray continually for those on the frontline, who find themselves in harm's way, helping all in need. His Word is our constant assurance of His presence and faithfulness. Many of our Native pastors and ministers continue delivering wonderful sermons of great encouragement. Social media and advanced technology serve as great blessings for us in these days of being sheltered in place.

LINK has initiated a project helping to fill the needs of some of our tribal nations. The Navajo & Hopi tribes have been hard hit by the virus. Our women are making face masks to send to the tribes. The Navajo Nation is the 2nd largest tribe in our country. The Hopi Nation boundaries sit in the middle of the Navajo Nation, so it was inevitable that both tribes would be greatly affected. Your assistance to help with this project is so appreciated. The two addresses receiving the face masks are:

NAVAJO NATION:

**Window Rock Wellness Center Bldg.
4496 State Highway 264
Window Rock, AZ 86515**

HOPI NATION:

**Sheryl Honanie
P. O. Box 348
Polacca, AZ 86042**

With the loss of one Executive Board member, Florence July (10/2019), the board prayerfully considered the filling of the vacancy. Through phone contact, the Executive Board conducted business on April 30, 2020, electing Elsie Little to serve on the Native American LINK Executive Board. Elsie (Sac & Fox, Miami, and Menominee Tribes & Filipino) will be a welcome voice to our ministry.

At this time, our summer activities are uncertain. We wait, prayerfully, upon the Lord, with confidence that God is preparing us for the next steps in this ministry journey, knowing that God expects much from us. This has truly been a season of prayer. Our concerns about the health and wellness of our LINK family are paramount. The majority of women in our ministry are in the age group of 40-80+ years, with several compromising health concerns; yet, their faithfulness and commitment is amazing. Thank you for your continuing support of our LINK ministry. Expressing God's Love to you all.

Augusta Smith (Gus)	Laura Mackey	Martha Johnson	Mike Smith	Norma Lee
Executive Director	President	Vice-President	Treasurer	Secretary/Asst. Treasurer

EXECUTIVE BOARD MEMBERS:

Priscilla Arnecher, Angella Fish, Christine Fleming, Elsie Little, Merry Monroe, Suzanne Russell, Ruth Walker
